LOUISVILLE RIVERPORT AUTHORITY

FTZ 29 NAFTZ Membership Benefit Program

2027 OPERATOR ENROLLMENT INSTRUCTIONS

The Louisville Riverport Authority invites eligible FTZ 29 operators to request participation in the 2027 NAFTZ Membership Benefit Program. Review the accompanying adopted Program Framework for the available benefits, eligibility provisions, and participation requirements.

1. Request Participation

Email info@ftz29.org with the subject line: "2027 NAFTZ Membership Benefit – Enrollment Request." Include:

- Company/operator name and FTZ 29 facility address (site or subzone number, if known)
- Primary contact: name, title, email address, and telephone number
- Current NAFTZ membership status (member or nonmember)
- Requested benefit, using the option described in the adopted Program Framework
- Proposed participating representative: name, title, and email address, as applicable

2. LRA Review and Approval

The FTZ 29 Administrator will verify eligibility, review the benefit election, and advise whether any additional information or documentation is required.

Do not independently enroll, register for an event, or incur expenses expecting program support before receiving LRA approval.

3. Enrollment or Benefit Coordination

Following approval, the FTZ 29 Administrator will coordinate the applicable membership enrollment or benefit with NAFTZ. Operators requesting educational-event support will receive separate instructions concerning approved expenses, documentation, and direct payment or reimbursement.

4. Confirmation and Participation

LRA will confirm the approved benefit and any next steps. Participating operators are responsible for satisfying the engagement and other requirements described in the adopted Program Framework.
